Dear Miro Kefurt:

This letter is in response to your request received on October 13, 2021 for an extension to Testing Exemption number 2020-NOVEMBER-LD-TEST-I-13811 for a nonconforming vehicle(s)/engine(s) that expires on November 18, 2021.

QUANTITY	MAKE	MODEL	MODEL YEAR	ID TYPE	ID NUMBER
1	UAZ	Patriot	2021	Vehicle Identification Number	XTT316300M1001007
1	UAZ	Patriot	2021	Vehicle Identification Number	XTT316300M1000102

The extension of your exemption is hereby granted subject to the terms and conditions issued with the original approval from November 18, 2021 until November 18, 2022.

Please note that this extension remains subject to the terms and conditions of the original approval and that "at the end of the testing period, either request an extension of the exemption from the EPA prior to the expiration date or remove the engines, vehicles or equipment from exempt status." Failure to do this may result in the exemption being void ab initio and lead to substantial penalties. Please retain a copy of this exemption for your files.

If you have any questions, please do not hesitate to contact David Hurlin at 734-214-4100 or e-mail to imports@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Linc Wehrly". The signature is fluid and cursive, with a large initial "L" and a stylized "W".
